What's wrong, buddy? You look kind of down.
sigh I think my owner wants to replace me.

Oh?
Why's that?
Well...
She wants a companion who is fluffy and pettable.
I have no fluff.

Hmmm.
Is that so?
FLUFF
Yeah.
I'm not smart or talented, either.
She complains that I can't do any tricks.

But I'm hoping she changes her mind, y'know?
She really does give the best neck scratches.
I see... Interesting.

Oops! Looks like I just accidentally locked this door with my superior intellect and dextrous talons!
SWOOP!
CLICK!
What?! Hey!

Now where did you say that owner of yours was?
You wouldn't dare!
